

DO MAGIC WITH STRUCTURE SEO

With 5 Amazing Tips

Website = One Avatar

TIP 01

Think of your
website as a person.

Clear identity =
better
understanding
by Google.

Folder = One Topic

TIP 02

Each folder (or section)
should speak about one
thing.

Topical clarity
builds
authority.

Page = One Intent

TIP 03

One page = One Purpose.

Educate /
Explain /
Convert

■ Heading = One Query

TIP 04

Your H1 should match
one clear Topic.

It's your
page's
handshake
with
Google.

Content = Match Search Terms

TIP 05

Write content that mirrors what people search.

**No fluff—
just real,
helpful
answers.**
